MR ZAINUL ABIDIN RASHEED  
SENIOR MINISTER OF STATE  
MINISTRY OF FOREIGN AFFAIRS

21世纪的关键是全球化——企业需要展开全球化以保持其竞争力及优势。全球化首要的目的就是通过广大人脉和寻找商业伙伴来拓展商机。基于此，我祝贺环球商机论坛的举办，她提供并实现了一个聚焦于投资融资的舞台，并朝向全球化的发展方向迈进。

新加坡是一个名闻遐迩的国际金融和商业中心，周围环绕着区域的经济特别开发区。与会者应借此机会推动区域的经济的发展，以新加坡为跳板来推行全球化。我坚信新加坡会为外国企业家提供一个优秀的平台，拓展他们在区域内的商机。

在环球企都@新加坡这个品牌的旗帜下，论坛本着过去的经验，揉合各种商机与生意，加以融会贯通，参会者肯定会从中受益。预祝环球商机论坛举办圆满成功，对于所有参会嘉宾，祝愿他们满载而归。我专此热诚地欢迎你们光临新加坡，希望你们能尽情享受在新加坡逗留小住的每一个时刻。

Globalisation is key for the 21st Century. Companies have globalized their operations on a phenomenal scale to remain competitive. The primary objective is to explore business opportunities through expanding network and forging new partnerships. On that score, I would like to congratulate Global Business Opportunities Forum (GBO Forum) for organising a global platform focusing on investments and finance to facilitate and enhance efforts at globalisation.

Singapore is well-known as a financial and business hub, surrounded by special economic zones in the region. Delegates are urged to take advantage of the opportunities generated by the economic developments in the region, using Singapore as a springboard in their globalization plans. I believe Singapore will be able to offer foreign enterprises the necessary platform to expand their business to the region and beyond.

Under the umbrella of Global Entrepolis @ Singapore, a brand name that speaks volumes of vast experience and opportunities, businesses should find it beneficial to participate. I wish GBO Forum and all participants success. To all foreign participants, may I also extend a special warm welcome to Singapore and please do enjoy your stay too.
